**FRIDAY: CAFOD HARVEST DAY**

This Friday is the CAFOD annual Harvest Day. Parishes all around the country are invited to contribute from what they have towards helping people in need in other parts of the world, especially where there have been disasters caused by climate change or other natural disasters. We only have to think of the terrible devastation caused by the floods in Libya or the earthquake in Morocco to realise how precarious life is in the face of the threat of such dangers, particularly in parts of the world where resources of rescue and recovery are so limited. CAFOD helps other agencies to respond to immediate need and also to assist the local people in many areas to build meaningful lives where they live.

In Pakistan, for example, Dr Nasha's mobile medical clinic gets life-saving help to where it's needed most, fast – so when her team arrived in a village in Pakistan after it had been destroyed by flooding, they met mother Meera, who rushed to the clinic to get her

children the treatment they needed. Please donate to CAFOD today so that more families can get the expert help they need. Use the envelope in church or give online at [cafod.org.uk](https://cafod.org.uk)

Responsorial Psalm: Remember your mercy, Lord.
